EDITOR – BARBARA VALLIEU

This publication is for all of the Mariner's Cove residents and we appreciate your input. If there is anything you would like to see in the Beacon, please email me at bvallieu@gmail.com.

We had a great three months since the last publication of the Beacon. We had lots of charitable events that were very successful. We had a yard sale and trash collection weekend. For the 1st time we held a craft fair on a different day than our yard sale. In addition, for the 1st time we held a Halloween Candy Hunt for children in our development! A picture of the kids is under Activities. We had a great time and the Activities Committee members are hoping to continue this in the future. We also donated money to Bless our Children and food to the Delaware Food Bank.

We have also had lots of new members for the Neighborhood Watch. Thanks to everyone who volunteers. As we travel around the neighborhood, I have noticed quite a few houses still don't have street addresses on their houses. I can't stress enough how important this information is, especially if the volunteers have to report an incident at your residence. Also, EMS and/or police officers will not be able to find your house quickly. I would ask that you please put your address on your house so that it is visible to all.

I hope all of our residents have a Merry Christmas and a Happy New Year! If you haven't been vaccinated, please consider getting the shots to protect yourselves, your family and friends and all of those you come in contact with. We can help make 2022 a healthier year!

PRESIDENT- MIKE LHOTSKY

Another year has passed and for Mariners Cove HOA it has been a very busy year. The bulkhead situation has seen 22 replaced with many more in need of immediate replacing. Because of this, the law suit against ELS is still in the works. A February court date is set. ELS says they are waiting on bids from contractors as the permits needed to complete the project have been issued to ELS in late November. That being said, they should begin work 45 days after receiving the permit. As of our last meeting with them, that may not happen by January, but January is the time frame when they told us work would begin. They also said they are going to work to replace them all and raising them to a height so the high tides do not allow the water to come over the bulkhead. This is what they have told us. We will wait and see what actually happens. This is why we still are pursuing the court date. Nothing will change until we have a signed agreement.

Another highlight of 2021, we signed up 225 members, our best effort in a long time. Your support and understanding have been a huge factor in reaching this goal. I want to thank you all for this kind of support in these tough times. We need to keep this going in 2022 so I am reminding all of you to realize this is a new year and dues is due as of January 1, 2022. We need this effort to continue as we still have a lot of work ahead of us in 2022. Please send your dues to Al Wentworth, 35474 Pine Drive, Millsboro, De. 19966. It is due January 1 and remains at \$20.00 until April 15th when it will go up to \$25.00. Please get it to Al as soon as you can. We need your support to continue our efforts.

Another highlight of 2021 just took place. We were able to raise \$1,326.00 for Bless our Children and fill two large boxes full of toys for Toys for Tots. We filled several bags of food for the Delaware Food Bank in Milford. Your support of these events will and have changed people's lives in our immediate area. Thank you all for supporting these programs and standing up to make a difference.

All these things could not have happened without your support. as in any job or undertaking, when everyone works together, many things can be accomplished. I hope that this pandemic we face gets under control and we can return to normal activities soon. I pray that you all stay safe and healthy in 2022 and we continue to try to make Mariners Cove the best place to live in Sussex County. With your continued support we can do it! Thanks for everything.

VICE PRESIDENT – TOM SIMONELLI

The CPI -U which is what determines our lot rent increases, continues to rise. As of October 12th, it is up from 2.425% to 2.79%. Unfortunately, with inflation continuing to rise, it appears there is no relief in future months.

The Delaware Manufactured Home Owners Association (DMHOA) continues to work on legislation to protect our rights as Homeowners living on leased land. Current bills that greatly affect us are: HB176 which clarifies the maintenance responsibilities of manufactured home community owners and homeowners. HB180 which adds disclosure requirements to the right of first offer should a land owner decide to sell. Lastly and most important of all is SB132 which addresses Market Rent and Capital Improvement definitions. SB132 has been stalled in committee as the land owners are exerting pressure on our representatives. We all need to get proactive with contacting our elected officials. More to come on this in the future.

In this holiday season we need to recognize those that support us. Please consider using Amazon Smile supporting DMHOA.

AmazonSmile is a way customers can support [DMHOA](#) every time they shop with Amazon, at no additional cost.

Customers who shop at [smile.amazon.com](#) will find the same Amazon they know and love, with the added bonus that AmazonSmile will donate a portion of the eligible purchase price to DMHOA and does not affect your Amazon Prime credit card rewards.

How to sign up for AmazonSmile:

How to use AmazonSmile on a web browser:

1. Visit [smile.amazon.com](#)
 2. Sign in with the same account you use for Amazon.com
 3. Select your charity: [Delaware Manufactured Homeowners Association](#)
 4. Start shopping! Log into [smile.amazon.com](#) to generate donations
- Tip: Add a bookmark to make it easier to shop at [smile.amazon.com](#).

How to use AmazonSmile using the Amazon app on your mobile phone:

1. Open the Amazon Shopping app
2. Navigate to the main menu (=)
3. Tap on Settings and then select "AmazonSmile"
4. Select [Delaware Manufactured Homeowners Association](#) and then follow the on-screen instructions to turn ON AmazonSmile in the mobile app
5. Once AmazonSmile has been activated in your app, future eligible app purchases will generate a donation to [DMHOA](#).

Note: The tablet app is not yet supported. Please visit [smile.amazon.com/onthego](#) to learn more.

Information:

I have included a more comprehensive list of recycle items that are accepted and not permitted. In addition, I have put together a list of available offices where everyone can get help if needed. **Both of these lists are in the back of the Beacon.** Hopefully these will be helpful to all.

TREASURER – ALICE CACHOLA

Another over the top year for our annual Bless Our Children campaign and Toys for Tots toy drive. Because of your generosity, a check for \$1,326.00 was delivered to WRDE TV News station at the Milford location on December 3rd for the Bless Our Children campaign.

On December 11th, at approximately 3:00 pm, the Marines landed at the clubhouse to pick up Two (2) overstuffed boxes filled with your generous toy donations.

YOU.....the community of Mariner's Cove opening up your hearts so graciously and generously, have placed a smile on so many boys and girls faces during this holiday season.

A big THANK YOU.... THANK YOU to everyone who donated toys and money to Bless Our Children.

With heartfelt wishes from my family to yours, happy holidays and a safe and healthy New Year!

ACTIVITIES – MARIA GUIDONE

Toys for Tots was a big success along with Santa and Rudolph welcoming the residents. Seems like things are not quite back to normal regarding this variant cycling around which is putting a damper on us getting together with our residents in the community. As we move forward to Spring/Summer seasons, we are hoping things open up so we can plan additional new activities for the community. Happy Holidays and Healthy, Safe, Happy New Year to all!

ACTIVITIES – PEGGY DAVID

Over the last few months, we've had to make some tough decisions concerning events, because of the covid virus. Consequently, activities have been limited. Hopefully going forward, we will be able to get back to picnics, parties, breakfasts and such. We are continuing with bingo, yoga and poker. If you would be interested in having a small group to play games or do a craft session, just let us know.

The yard sale was a success as was the craft fair. A special thanks to Betsy K. for helping out with the basket raffles.

Although we had a small group for the Halloween Candy Hunt and Costume Contest, I think we could all agree the kids had fun and we hope to do this again in '22.

Thank you all for your generosity.

The Bless Our Children fund was given a check for \$1,326.00. In addition, we collected approximately 35 bags of food for the Delaware Food Bank and two large boxes of toys for Toys for Tots. A special thanks to Paul G. for sitting in for Santa at the Toys for Tots collection event.

All of us, on the activities committee hope you enjoy the holiday decorations we have put up around the entrance and clubhouse.

Wishing you all a very Merry Christmas and a Happy New Year! Be Safe.
