EDITOR – Kimberly Raymond

This publication is for all the Mariner's Cove residents, and we would appreciate it if you could send in your input. If there is anything you would like to see in the Beacon, please email me at theraymonds2017@outlook.com

Well, it is Springtime 2023, and it is time for new beginnings, flowers and sunshine.

PRESIDENT- MIKE LHOTSKY

Spring has arrived and the weather is looking brighter. The fence is up and looking nice and the mailbox area seems to be getting more attention than ever. All thanks to Vinny, the maintenance man and, of course, Matthew who has worked very hard to put projects together and following up on them to help make Mariners Cove a respectable community. You may not agree, but he has to answer to the people above him and that is where the troubles start. Let me just say that we don't want him going anywhere too soon. We still have a long way to go, but he sees things much the way we see them.

Bulkheads project seems to be moving at a much swifter pace, which is needed. I have asked that we leave the workers alone and allow them to do their jobs. Please respect the workers and allow them to do what they do.

Also, on the other side of the bulkhead story, we have reached an agreement with ELS the biggest part of which they have agreed to replace the dock at no expense to the homeowners. Barring any unforeseen problems, the project should be completed by the end of 2026. This is a little longer than we would have wanted, but delays getting started changed that. Bulkheads will be higher, drains should be repaired or replaced, and we should notice less flooding.

May is just around the corner, and we have a lot happening with dumpsters, yard sale, hot dog sale and breakfast and general meetings. Don't forget a poker run. All these activities are put together to bring this community together and have us all get along and enjoy where we live.

I am told that we have about 95 members as of this writing. This is a reminder that if you have not yet sent in your dues of \$20, you have until April 15th (the day of our membership drive) to pay. After that it goes to \$25. So, get your money in as soon as possible to: Al Wentworth, 35474 Pine Drive, Millsboro, DE 19966.

Thanks for all your support over the years as we look forward to many more.

Vice-President – Tom Simonelli

MCHOA Vice-President's Report –

The trend of privately owned manufactured home communities being sold continues. Current communities for sale include Bay City, Country Acres and Silver Oaks. Most of the purchases being made over the last few years have been by large equity fund groups. Large equity firms now own 20% of all dwelling in the United States and it appears that due to the large return on investment to their shareholders, the trend will continue as they purchase apartments, manufactured home communities and even stick built homes.

DMHOA continues to work on legislation to improve SB317 (the rent justification bill). Improving the language from landowner final violation to simply violation; when a community goes up for sale, improving the time to respond from 30 days to 60 days. Bill 176, a maintenance bill which would make the landowners responsible for all portions of the trees on our leased land from the highest branch to the roots in the ground. DMHOA is also working with the DE DOJ to receive funding for an enforcement team that would hold landowners more accountable.

While the bulkhead project is finally making progress. It appears we will have a lifeguard & maintenance firm for the pool and the new fence looks great. But we know there are still other issues that need to be addressed that ELS, it appears, are now taking more seriously. An exception would be their current refusal to provide cable and/or WIFI service to the clubhouse. There is currently no legal recourse when a landowner eliminates a current amenity. I am told we did once have a functioning TV in the clubhouse. No longer. Seems a small issue compared to the bulkheads, drainage & paving issues which they are finally pursuing with engineering firms. Our community manager, Matthew, has done more in his brief time here than any previous manager and continues to push for more, but there is a significant approval chain of command all the way up to ELS in Chicago.

TREASURER – ALICE CACHOLA

Hello everyone and welcome to all new residents!

Spring is officially here and we are all anxious to get our boats into the lagoons and start enjoying our days on the water. Please keep in mind the size of your boat as some mariners are unable to control their boats and are causing damages to other boats upon leaving and returning to their docks. Hiring a Captain is a small price to pay for the benefits you will receive in handling your vessel and the rules and laws of the waterways.

Safety first and happy boating!

Alice

NEIGHBORHOOD WATCH – LANIE WOOD

Happy Spring!

I want to thank all who have been volunteering their time to do our Neighborhood Watch. It's important work. Unfortunately, due to a variety of circumstances, several people have had to drop out of the Watch. If any of you are interested in patrolling for one week once a quarter, please get in touch with me. We would be happy to have you. My email is lanie35558@hotmail.com and my phone number is 302-265-6186.

I would also like to ask that all of us be aware of our speed driving through our community. Speeding isn't going to save you any time and it could hurt someone in our community or their pets. So please obey the 15mph speed limit.

For your information the following is an updated list of who is on Neighborhood Watch which week.

BOAT YARD – ED OLLIS

Thank you to all the HOA members that are using the boat yard for watercraft and trailer storage. It is great that so many of the members are taking advantage of this amenity. However, I do have to remind everyone that the summer storage comes with a \$35 storage fee **plus your membership in the HOA**. The \$35 summer storage fee is used to cover the cost of the ground maintenance such as grass cutting and the labor it takes to move the watercraft and trailers for the maintenance. In addition, all watercraft and trailers **must have** the HOA member's name affixed to the trailer. While many of you have already paid for your storage and made sure your names are affixed to the trailer, there are still many that have not.

If you have not already paid your annual HOA fee plus your summer boat yard storage, I urge you to pay your fee(s) through the HOA PayPal account or contact Al Wentworth, who is the HOA Membership person or myself. Our contact information is located on the front of the Beacon.

All storage fees must be paid by July 15th. After this date, any watercraft or trailer whose HOA fee and storage fee(s) is not paid will be removed from the lot. If your name is on the trailer, we will tow it to your home. If the trailer is not marked with a name, it will be removed from the boat yard and placed on the main road. From this point the watercraft or trailer will be subject to the rules of property management.

We sincerely hope that we won't have to take this action, but in fairness to all the members that have paid their fees and for those volunteers that give their time to assist with moving the watercraft /trailers for ground maintenance, we feel we will have given everyone more than sufficient time to pay their HOA fee and summer storage payment(s).

Enjoy the remaining months of summer and happy boating.

MEMBERSHIP – ALAN WENTWORTH

2023 MEMBERSHIP DRIVE

Happy New Year and thank you to all the residents that renewed their membership or joined the MCHOA in 2022.

Your membership includes: the quarterly Beacon newsletters; access to local (to inlet) emergency Boating Assistance (out of gas, dead battery, stuck on a sand bar, etc); boat and trailer storage in the community boat yard (winter free, summer +\$35); the 4th of July and Christmas Decorating prizes; and other socials and special events that your HOA sponsors.

Your membership builds the credible Homeowners Association needed when dealing with ELS and Local Management on issues important to all Mariners Cove residents. Part of your membership fee also supports the statewide Delaware Manufactured Homeowners Association (DMHOA) which is very much involved with the DE Legislature and the Attorney General's Office to develop and enforce legislation to protect the rights and security of the residents of all Manufactured Home Communities.

The fee for all residents is currently \$20 for 2023. The fee may also be paid on-line via PayPal through our website www.mchoa.webs.com. There is a \$1.00 service charge for online payment.

Please send your membership fee along with your name, permanent address, telephone number, **email address** and Mariner's Cove lot number and 911 address along with a check to:

Alan Wentworth/MCHOA

35474 Pine Drive

Millsboro, DE 19966

Membership payments will be acknowledged by email (if msn does not enhance my email experience) or by snail mail if a self-addressed stamped envelope is included with the application.

RECIPE

Overnight Oats – Kimberly Raymond

Overnight Oats

**½ Cup of instant oats
4 Tablespoons of Yogurt – I use Vanilla flavored
15 Blue Berries
¼ Cup Granola
¼ Cup of Cranraisins**

**You can substitute the other 2 tablespoons of yogurt for
Unsweetened Almond Milk**

**Put 2 Tablespoons of the Yogurt on the bottom of your container
Then add in the ½ Cup Instant Oats. Next put the blueberries
cranraisins and granola. At this point I add in ¼ of a cup of Almond
Milk into my overnight oats but you can also use 2 more tablespoons
of Yogurt. Then Mix and put a lid on it and let it sit in the fridge
overnight. In the morning you take off the lid, stir and enjoy.**
