BEACON EDITOR

**We are looking for a new editor to produce the Beacon 4 times a year.
Please contact Mike Lhotsky if you want to volunteer.**

PRESIDENT- MIKE LHOTSKY

Well, another Summer has passed and some progress is being made on the bulkhead project. They have just about completed both sides of Cove Driven I hear they will jump over to Joann Drive to do some emergency work. This is what is in the agreement, that emergency work will be done as determined by their [ELS] engineers.

It seems everyone survived the storm. Tides were high and the blew constantly, but we made it through as residents seemed prepared for the worst. Hopefully with the raising of the bulkheads and fixing and servicing the flapper valves, we will not see flooding like that in the future.

I would like to ask you all if you could help me to identify neighbors who have not yet joined the HOA. It is not like most HOA's where they dictate what color your house should be painted and your grass needs cutting. We are an organization, with help from DMHOA, that tries to protect your rights as a homeowner on leased land. Without DMHOA's help, we would not have been able to get the work started on the bulkheads. Joining our HOA for only \$20.00 per year is a wise choice while living on leased land. Please help me with this quest, as of today we have 210 members. There are 350 + homes in the community, we need all of you to join.

Many activities are planned for the last quarter of this year and are mentioned in this Beacon. We also post fliers on the Mail box bulletin boards and the bulletin board at the corner of Cove Drove and Pine Drive. Please check these out to keep you informed on what is happening in the community.

As always, I wish you all a Safe and Healthy rest of the year as we look forward to 2024. Thanks for your continued support and I look forward to 2024 to be just as busy.

TOM SIMONELLI – VICE PRESIDENT

Aside from assisting Mike, our President & the HOA as needed, as most of you know, much of my time is spent in my capacity as the Secretary/Treasurer of the Delaware Manufactured Homeowners Association. Each Beacon, I like to include something about Delaware law as it pertains to homeowners living in manufactured housing on leased land. It appears that there is still some confusion as to how a "Lot Rent Transfer" works when you sell your home. The details of how to go about it can be found at DMHOA.org. The details of the process are important as must be followed completely. Remember, doing a lot rent transfer can had \$\$ to the selling price of your home. This is part of Title 25 Chapter 70. An example would be: If you have a lot on the water and currently pay \$900 per month without a lot rent transfer the buyer would pay market rent which as of December 2023 will be \$1526 per month. Think about that difference. If the buyer looks at the savings of \$626 per month, that's \$7,512 a year. Over just 5 years the buyer will save \$37,560! That makes your home worth quite a bit more than a home for sale where there is no lot rent transfer. Exception: With the majority of the 10 year leases ELS/Mariners Cove included a document that when initialed or signed gave away the new homeowner's ability to do a lot rent transfer. This is & was perfectly legal – confirmed by CLASI, our attorneys. The reason it is legal: 10-year leases were not automatically covered by the same laws that govern one-year leases. Therefore, by giving the new homeowner the same conditions & protections of a one-year lease holder, the homeowner received something in exchange for giving up their right to do a lot rent transfer. This give and take makes the agreement legal.

SECRETARY – MAGGIE MANGLASS

Hello from MC,

What fantastic weather we have been enjoying into November! This makes living here so unique! The sunsets are magical, the crabs are abundant, and lots of boats are still in.

We have had lots going on, and much more to come, I don't know if you had the opportunity to attend the Drive-in movie, but it was great, a true sense of community for old and young!

Wishing all of you a happy and healthy holiday season.

TREASURER – ALICE CACHOLA

BOAT YARD – ED OLLIS

Thank you in advance to all the HOA members who plan on utilizing the boat yard for winter storage of their trailer/watercraft. Winter storage of your boat is FREE, however, you **MUST** contact me, Ed Ollis, **BEFORE** placing your watercraft or trailer in the yard or on the road. My contact information is (484) 433-4078.

Mariners Cove is one of only a few properties that offers onsite watercraft storage to its HOA members. We only ask that you adhere to the rules so that this amenity can continue to be offered and be used by as many HOA members as possible.

Since winter storage space is available on a first come, first served basis, I make every effort to utilize all the space available to the HOA so we can store as many trailers/watercraft as possible. Because space is limited, no one is guaranteed a specific location within the storage yard or on the road. I reserve the right to move your watercraft or trailer in order to maximize all available space.

All trailers/watercraft are **REQUIRED** to have the HOA member's name affixed to the unit. If the trailer or watercraft is not marked with a name, it will be removed from the boat yard and placed on the main road. From this point the watercraft or trailer will be subject to the rules of property management up to and including being towed from the property. If this occurs, all towing fees incurred are the responsibility of the trailer/watercraft owner.

Currently there are over 30 trailers in the boat yard that are not identified. No names, no address, no HOA identification. If these trailers remain unidentified by April 2024, they will

will be removed from the boatyard or from along fence line and towed away by the local towing company. Keep in mind if this occurs, all towing charges and storage fees incurred through the towing company will be the responsibility of the trailer/watercraft owner. **PLEASE DON'T LET THIS HAPPEN. Please affix your name and address to the trailer and be sure your HOA fees are current.**

I hope everyone enjoyed the 2023 boating season and I look forward to assisting you with your storage needs.

Ed Ollis
