## **PRESIDENT- MIKE LHOTSKY**

Spring is here and summer is fast approaching. As we get ready for fun in the sun and on the water, think if you have made the commitment to join the HOA. **Dues until April 15th are \$20.00 and after that date it goes up to \$25.00.** Save \$5.00 and join now. As of this writing we have 72 Members. Reminder: Dues are due on January 1 of each year, the sooner you get it in the better protected you will be. Only members may benefit from the decisions made by legislators. Send your checks to **AL WENTWORTH, 35474 PINE DRIVE, MILLSBORO DE. 19966** and make the checks payable to **MCHOA**. \$20.00 is all you need too be protected.

**Bulkhead project** is still ongoing as they have moved back to the ones that were completed by J T Rogers. From what I understand they are attempting to make them look like all the rest. Once they complete them they will continue on the project as planned. **Docks** have been started however they will not be opening the Marinas as they are worried they will not have enough slips for the residents displaced while working on their bulkhead.

We also understand the entrance to our community, **pot holes on Knoll Way and Joann Drive** will soon be repaired as they are waiting for a signature from James Burpo, the Regional Manager. Hopefully work will begin sometime in May.

The next several months we will be busy with Craft Shows, Yard Sales, Dumpsters, Breakfast, Picnic, and many other events. Please take time to read **the new signs that were put up in the mail box area and in front of the clubhouse on Cove Drive** to keep up to date with all coming events. All of these planned events are the efforts of your Board to bring the community together, to have fun and meet new friends. Also I would like to remind everyone that **every Wednesday starting at 6:30 we hold a Texas Holdem Tournament until 9:30.** \$10.00 buy in and \$3.00 high hand. Every **Thursday evening starting at 6:00 we hold BINGO**, 50 cents per card playing 20 games and the 21st is the jackpot usually \$100.00 or more. So come out and enjoy yourself and meet new friends and maybe win some \$\$\$\$.

Thank you to all who have joined the HOA to date. Our annual **Membership Drive** will be **April 13th** immediately following **our first General Meeting of 2024 which starts at 10:00 am.** Membership Drive will end at 1:00 and we will be serving Hot Dogs during the event. Please take the time to join.

## **TOM SIMONELLI – VICE PRESIDENT**

There's been a lot happening for me personally, the Mariner's Cove HOA and Delaware Manufactured Homeowners Association (DMHOA). The MCHOA activity committee has really been hitting it out of the park with some new and some old things to participate in. As you look at their coming events, please try to stop by even if only for a short time to support their efforts.

While not happening as fast as any of us would like, bulkheads continue to be replaced and the new boat docks are beginning to appear. In the past few months DMHOA has filled the position of Vice-President, Secretary and Legislative chair. They continue to work with legislators to improve laws that pertain to homeowners living on leased land. Remember, as a member of the MCHOA you are automatically a member of DMHOA, the only state-wide organization that works to protect the rights of homeowners living on leased land.

I am in the process of listing my home in preparation for a move to Kent Island, Maryland. Because of that move, I am resigning my position as the MCHOA board member & vice-president effective at the April 13th annual meeting. I will also have to resign my position as Treasurer of DMHOA as the position requires living in Delaware in a manufactured home on leased land. DMHOA is actively seeking my replacement. Anyone interested in the position can contact me for further details. I have really enjoyed my time in Mariner's Cove - it's sense of community and the friends I have made. You will be missed.

*Tom Simonelli*

## **SECRETARY'S REPORT - BETSY KEPPELY**

Happy Spring! I'm sure everyone agrees with me that after a long winter, we are looking forward to better weather as we move towards summer.

What a joy to be able to sit on my deck, watch the herons and egrets in the marsh while I drink my coffee. My daffodils are blooming with such splendid colors.

I enjoy being part of our community and as a new member of the board for our HOA, I look forward to meeting other residents. I would hope we can get more people involved in the HOA so that we can continue to make Mariners Cove a special place to live for all of us.

## BOAT YARD – ED OLLIS

Thank you in advance to all the HOA members who plan on utilizing the boat yard for winter storage of their trailer/watercraft. Winter storage of your boat is FREE, however, you **MUST** contact me, Ed Ollis, **BEFORE** placing your watercraft or trailer in the yard or on the road. My contact information is **(484) 433-4078**.

Mariners Cove is one of only a few properties that offers onsite watercraft storage to its HOA members. We only ask that you adhere to the rules so that this amenity can continue to be offered and be used by as many HOA members as possible.

Since winter storage space is available on a first come, first served basis, I make every effort to utilize all the space available to the HOA so we can store as many trailers/watercraft as possible. Because space is limited, no one is guaranteed a specific location within the storage yard or on the road. I reserve the right to move your watercraft or trailer in order to maximize all available space.

All trailers/watercraft are **REQUIRED** to have the HOA member's name affixed to the unit. If the trailer or watercraft is not marked with a name, it will be removed from the boat yard and placed on the main road. From this point the watercraft or trailer will be subject to the rules of property management up to and including being towed from the property. If this occurs, all towing fees incurred are the responsibility of the trailer/watercraft owner.

Currently there are over 30 trailers in the boat yard that are not identified. No names, no address, no HOA identification. **If these trailers remain unidentified by April 2024, they will be removed from the boatyard or from along fence line and towed away by the local towing company.** Keep in mind if this occurs, all towing charges and storage fees incurred through the towing company will be the responsibility of the trailer/watercraft owner. **PLEASE DON'T LET THIS HAPPEN. Please affix your name and address to the trailer and be sure your HOA fees are current.**

I hope everyone enjoyed the 2023 boating season and I look forward to assisting you with your storage needs.

**Ed Ollis**  
**(484) 433-4078**

## **Cove Beacon Editor – Elizabeth Kaeton**

Hi there,

The cornerstone of every neighborhood community is relationships. Our HOA board members work very hard to plan events that will bring us together to share a meal, a game, a craft skill and, of course a laugh. When we get together - especially to break bread together - we get to know each other better. When we know each other better - because of what we have in common and despite whatever differences we might have - our community is stronger.

Do you have a story to share about yourself and your experience of living here in Mariner's Cove? Maybe you know of an act of kindness or generosity done by one of your neighbors that you want to acknowledge and celebrate? Perhaps you, yourself, have a gardening hint or a have a handy household tip that you'd like to share with others (Don't miss Lynn Knopka's "Spring Hint" on the Activities Page). Or, maybe you captured a beautiful sunrise or sunset or a dramatic example of "coastal flooding" which is part of "life on the water".

Please send your submissions to me at the email address below. I look forward to reading your submissions and seeing your pictures and sharing them with everyone.
