

## Acceptable Items & Non-Acceptable Items for the Yard Waste Dumpster

### Acceptable items

Yard/green waste should not be placed in plastic bags.

- Tree trimming/branches
- Leaves and house/garden plants
- Brush, grass clippings and lawn edging

### Unacceptable items

Due to their weight and because they are not compostable, these items are not considered yard waste:

- Soil, sand or sod
- Tree trunks and stumps over 50 pounds
- Palm, yucca or ice plants
- Chemically/pressure-treated woods
- Rocks, stones, concrete or brick
